

Spotted Salamander

Color the body black or dark gray. Color the spots yellow. Draw in the eyes or glue on googly eyes.

Try drawing your own spots. Place them in two rows. The spots are not all perfectly round and every Spotted Salamander's spots are unique!

Spotted Salamander Craft Instructions

Materials Needed

- Printed Spotted Salamander template (attached)
- Scissors
- Crayons or Markers
- Optional: Googly eyes and glue

Instructions

1. Print out the Spotted Salamander template
2. Color the Spotted Salamander
3. Cut out the salamander
4. Give your salamander some eyes – either draw them or glue on googly eyes!
5. Gently fold the salamander in half lengthwise so that its right feet touch its left feet
6. Unfold your salamander
7. Enjoy your new salamander friend!
